

THE STORY OF CREATION

On the 1st day God said...

"Let
there
be
light."

Day Two Of Creation

God said, "Let there be a space between the waters, to separate the waters of the heavens from the waters of the earth." And that is what happened. God made this space to separate the waters of the earth from the waters of the heavens. God called the space "sky". Genesis 1:6-8a

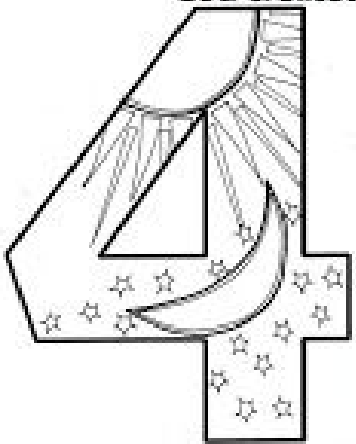

On the **third** day,
God created...

Genesis 1:9-13
